DATA REQUIRED BY THE PRIVACY ACT OF 1974

AUTHORITY	The Rivers and Harbors Act of 1984 as amended and supplemented (33 U.S.C.1)
PRINCIPAL PURPOSE	Provide the Corps of Engineers with information for contact of the responsible person applying for and/or receiving a Shoreline Management permit. The description of the activity is needed to assure conditions of the permit requirements are met.
ROUTINE USES	The information on this application is used in considering the issuance of shoreline management permits on Corps of Engineers projects. This information is collected and maintained at project offices and is used as basis for issuing permits. It provides auditing information for this program which has financial involvement.
DISCLOSURE	Disclosure of information is voluntary. However, failure to provide the requested information will preclude the issuance of a Shoreline Management permit.
